The Air Canada Public Participation Act, is a law that was enacted by parliament in 1988 to ensure that Air Canada would continue to meet certain public interests & obligations following the privatization of the airline.

The following petition will be used to remind the Government of Canada that they have done nothing to date to enforce Air Canada's obligations. This lack action has caused anxiety to thousands of people and cost Manitoba valuable jobs.

You can help by getting signatures on the petition below and returning it to my office.

Once signed please cut along the line and return the bottom petition to Kevin Lamoureux MP.

Petition to the House of Commons

Whereas, Air Canada over the last few years has not lived up to its obligations under the Air Canada Public Participation Act.

Whereas, Air Canada closed the flight attendant base in Winnipeg and is no longer committed to having it's overhaul centre in Winnipeg.

Whereas, there will be long term negative impact on the Province of Manitoba.

We, the undersigned residents of the Province of Manitoba call upon the House of Commons to take the action needed in order to hold Air Canada accountable to the Air Canada Public Participation Act
