Petition to the House of Commons

Whereas, western Canadian farmers have the greatest interest in the future of the Canadian Wheat Board.

Whereas, the CWB which is based in Winnipeg, sells prairie grain to countries around the world and returns all revenue, less marketing costs, to farmers.

Whereas, over 70,000 grain farmers in Western Canada produce in excess of 20 million tonnes of wheat and barley every year, which is consumed by over 70 countries worldwide.

We, the undersigned residents of the Province of Manitoba call upon the House of Commons to support Farmers in Western Canada by allowing them to determine themselves about the future need and role of the Canadian Wheat Board and allow for a plebiscite on the future of the CWB.
