Petition to the House of Commons

Whereas hundreds of thousands of people apply to immigrate to Canada every year.

Whereas, immigrants are often put into a position of being exploited or feel that they have to misrepresent themselves in order to immigrate to Canada.

Whereas, unfair immigration policies do exist which in some cases encourage would be immigrants to misrepresent themselves or even potentially be exploited.

We, the undersigned residents of Canada call upon the House of Commons to explore the ways in which changes to immigration policy would see issues like exploitation and misrepresentation minimized.
